I'm Pastor Anthony A. Dugan 40 yrs old from Light of the world worldwide ministry Inc., my first experience in Light of the world church planting way back in my early childhood stage when I was 16 yrs old. I remember the time that I get involve in what you called "mission trip" as a member of the team I get involved in different strategy to make a different strategy how to win souls in different area, place, provinces, as team we gather all our youth and select from them the right one that will join in our team every year, because we have a mission trip we depend not only in finances but rather we prepare most spiritual aspect of our life because the battle is not in physical but rather spiritual, my first mission trip is full of joy and thankfulness for God, the province of Naga city is the first mission that I experience in my life first battle and first accomplish, we present there a " HUMAN VIDEO presentation" a Human video presentation is all about music mix with dramatic act or theater film. In this way we start when we are going to build a church, we use this method to apply to others and to share the gospel or the word of God. the second mission trip that experience is in the province of Baguio city we also present there a human video presentation but this time we share the Gospel at the center of the Baguio the Plaza at first as a youth I'm to shy to share and to present to almost 300 to 500 people but praise God we finish the task that God given to us. and that the start of my growing in spiritual aspect of my life God use me in different area and in different province to share the word of God, this last 2014 of April we conduct a mission trip trip in the province of sorsogon where my parents live and last year I have a vision that as a follower of Christ I must win my cousine,uncle, grandpa, etc. and my relatives in Bicol so we decided to go there to present a human video presentation to start for a church planting, and after of the success in Bicol we continue serving God by conducting and presenting a Human video presentation in Muzon bulacan church were I been a pastor for almost 3 months old but praise God he always provide he always faithful; and God is always with me. as a young pastor I'm not good enough in the Bible but my heart is full of wisdom, Love, and willing to obey for the glory of God I always love God and always Love my family this the Only thing that will; say I not good in Greek or Hebrew but God knows me he knows my heart and I love God more than anything in this world. the experience that I share is not for me to glory or for me to know that I'm good enough for does things but rather I share this experience for other who read this that God is always Faithful he never change God is still the same He is the everlasting God.

Today I'm already a senior pastor from light of the world for almost 10 yrs and mentor this church. This way a praised God by using me in all my strength and for his glory. This project is for the church planting that growth for almost 10 yrs and counting for the glory of God.

INFLUENCERS

This church is all about discipleship church our **MISSION:** MAKE DISCIPLES / **VISION:** WORLD HARVEST / **PURPOSE:** LOVE GOD AND LOVE PEOPLE , We make leaders and not only members, multiplication of leaders involves authority, you need authority. Leaders with authority are "practitioners" not just lectures."

As great leader or mentor I teach about discipleship in my denomination to expand the kingdom of God and have more church growth in different churches for the glory of God. This is one of my example lesson about discipleship.

Matthew 28: 19

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and the Holy Spirit, and teaching them to obey everything I have commanded you.

Note: Jesus never told that every Believer must produce "leader of leaders" "Pastor of Pastors" or Bishop of Bishops... rather Jesus commanded us to "make disciples who make disciples." Multiplying leaders demands 3 things:

First, multiplication leaders involves authority. We need a license , Second multiplication of leaders involves activity because faith without work is dead. Third multiplication of leaders needs ability and this is to make sure that God will surely with us to the very end of the age.

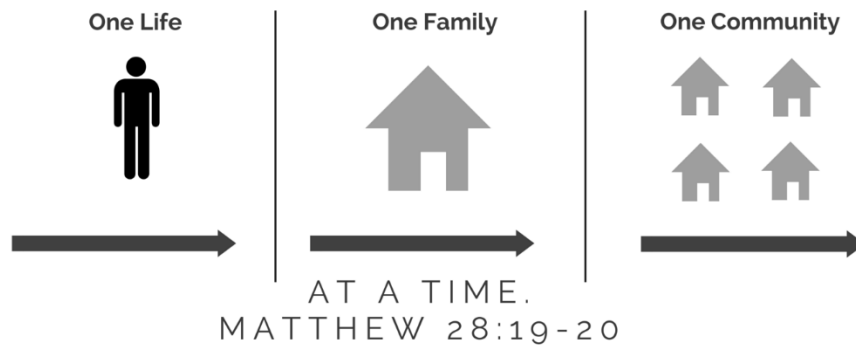

"it takes a driver to raise up leaders".

Mission

TO MAKE DISCIPLES OF JESUS CHRIST

The Greek verb translated go actually not a command but rather but a present participle (going). The only command in the entire Great commission is "make disciples".

In the Greek text of the great commission there are three present participle verbs: going, baptizing, and teaching. Each of these is a part of the command to "make disciples." "Going, baptizing, and teaching are the essential elements of the disciple making process.

The DISCIPLE-MAKING PROCESS

There are three components in the "discipleship-making process"

1. Going
2. Baptizing
3. Teaching

Going – Introduce them to Christ , first we must tell them about Christ and pray for them for salvation. The purpose of "going" is for them to "Believe".

Baptizing – Immerse them to the body of Christ through Church or cell membership. Our goal is not only for them to believe but also to belong." Baptism symbolizes identification with the body of Christ. Ephesians 2:19

Now you are no longer strangers to God and foreigners to heaven, but you are members of God's very own family, citizens of God's country, and you belong in God's household with every other Christian. TLB

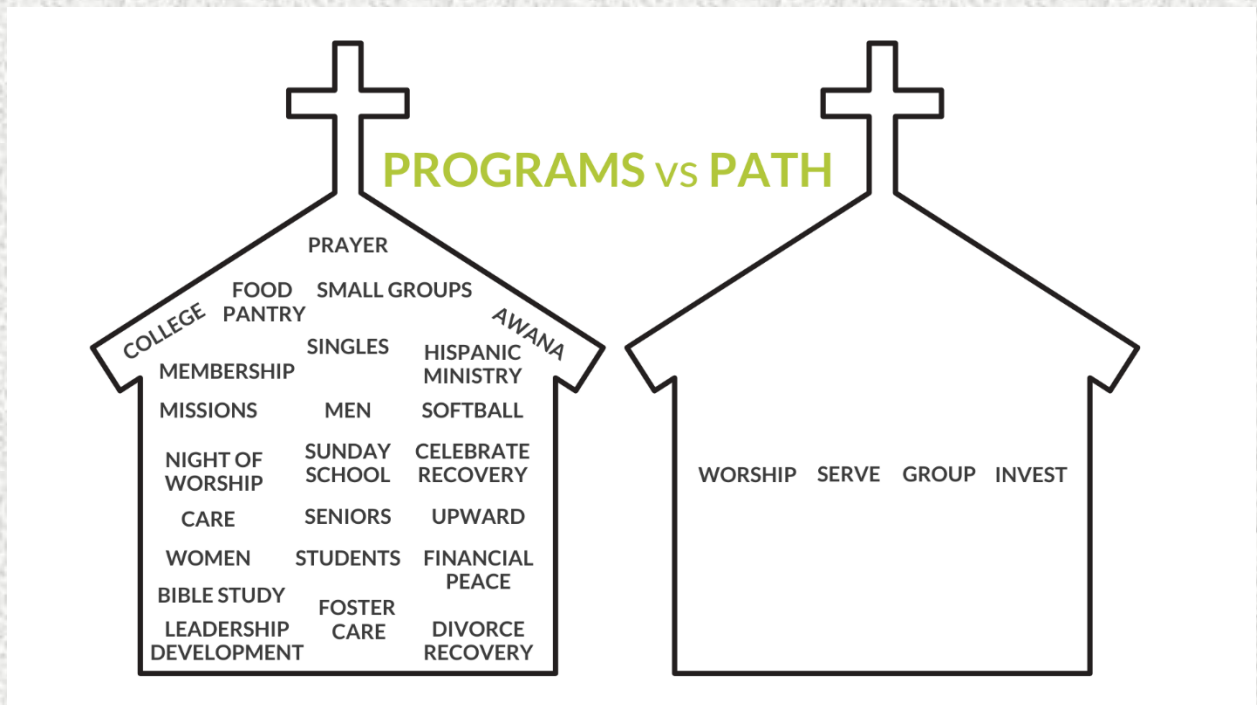

For the new believers to be totally IMMERSED in our church, there are 3 important factors;

1. Relationship – the ratio is 1:7 1 new believer must have at least 7 matured Christian friends.
2. Involvement – we need to give them the task to involved in the kingdom of God for them they will fill the belongingness in Christ.
3. Pastoral care – They don't care how much you know, until they know how much you care.

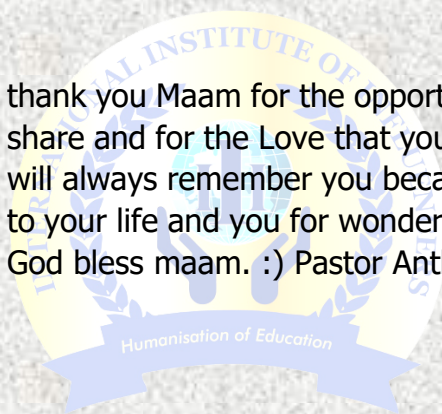

Teaching – instruct them to become Disciples and Disciplers.

The purpose of "teaching" is for them to be "built up". We learn from them and they learn from you.

thank you Maam for the opportunity to share your life for us, for the wisdom that you share and for the Love that you care, I will always stand firm for the glory of God and will always remember you because you create a history in my life and I create history to your life and you for wonderful subject I learn a lot and lastly thank for everything. God bless maam. :) Pastor Anthony Dugan
